The Friends of Wakefield NH Parks and Recreation would like to request your support. Through a grant and donations provided to the Town of Wakefield, we are building a Community Pavilion on the grounds of the Town Outdoor Complex/Ballfields utilizing no taxpayer funds. The new pavilion will have 3 handicap accessible bathrooms, equipment storage, covered seating area and a concession stand. We will be installing WIFI for use while at the ballfields and security cameras to protect the facility. We are now looking to raise \$20,000 to complete the furnishing of the building.

Your donations will be used to purchase the following:

Recycled Plastic Picnic Tables (8)
Recycled Plastic Trash Receptacle (2)
Security Camera System
Office Desk
Storage Shelving Racks (12)

The Friends of Wakefield NH Parks and Recreation is a non-profit, 501(c)(3), charitable organization (Tax ID: 88-3949184) which means your generous donation may offer you certain tax benefits. In addition, your donation will be memorialized on a plaque, placed on the pavilion building. Consider giving a donation in memory of a family member or group that will create a lasting legacy.

<u>Designation</u>	<u>Donation Amount</u>
