

WAKEFIELD PARKS & REC. / SCHOOL POLICY

In order to better control behavioral issues during sporting events and the school day the Parks & Rec Dept has come up with some new policies, these policies were made to help teach our children dedication, responsibility and respect. All students that are involved with a Parks & Rec. activity are asked to adhere to the said policy. Failure to sign the said policy will make the student ineligible to participate.

- 1) If a child has in school suspension, he/she is not allowed to participate with any of the sports teams on said day.

- 2) If a child has an out of school suspension, he/she is not allowed to participate with any of the sports teams for the duration of the suspension.

- 3) If a child has a Saturday detention and there is a practice or game on that day he/she must serve the detention before playing.

Please sign and return to your coach or the Rec. Department ASAP, with both the participant's and the parent or guardians signature. If anyone has any questions or concerns, please call Wayne at the Rec. Department @ 522-9977.
